Re: Public Records Request – Acknowledgment

Dear Requestor:

This is to acknowledge receipt and intent to respond to your electronic public records request to Duval County Public Schools, dated October 29, 2019. A copy of the original request is attached.

You have requested:

1. Any complaints reported against Duval County School Police officers between January 1, 2009 and October 15, 2019;
2. Any disciplinary actions taken against Duval County School Police officers during the above-mentioned time period;
3. Any spreadsheets, logs, or other records tracking misconduct lawsuits against school resource officers during the above-mentioned time period

If my understanding of your request is incorrect, please contact me immediately.

We are in the process of reviewing your request for statutory exemptions. Pursuant to Florida Statute 119.07(4)(d), the District, as custodian of the records, may charge fees to cover any extensive clerical support, supervisory assistance, extensive use of information technology resources and/or costs to copy the requested documents and we will prepare an estimate for your approval.

Please anticipate an update within a reasonable time from receipt of this letter. If you have questions prior to our response, please contact me at JonesT4@Duvalschools.org.

Thank you,

Tashonia Grant
